1 Web of Science 접속

도서관 홈페이지(로그인)를 통해 Web of Science에 접속해주세요.

The screenshot shows a library homepage with a navigation menu on the left. The menu includes '소장자료검색', '모든자료검색', '전자자료(DB/저널)', '전자책/오디오북', and '온라인 강좌'. The '전자자료(DB/저널)' option is highlighted. The main content area is titled '전자자료(DB/저널)' and contains a search bar with 'web of science' entered. Below the search bar, there are buttons for '검색' and '초기화'. A grid of letters (A-Z) is visible, with 'W' highlighted. Below the grid, there are filters for '유형' (Type) and '국내외' (Domestic/Foreign). The '유형' filter is set to 'Web DB(Web DB)' and the '국내외' filter is set to '국외(Foreign)'. The search results show a list of items, with the first item being 'Web of Science'.

2 계정 등록

계정으로 사용할 이메일 주소는 강원대학교 웹메일(@kangwon.ac.kr)을 사용합니다.

The screenshot shows the Web of Science registration page. The page has a header with 'Clarivate' and 'Web of Science' logos. Below the header, there is a section titled 'Register for a FREE Web of Science Profile'. There are two tabs: '로그인' (Login) and '등록' (Register). The '등록' tab is selected. The registration form includes fields for '이메일 주소' (Email address), '비밀번호' (Password), '비밀번호 다시 입력' (Re-enter password), '이름' (Name), and '성' (Surname). The '이메일 주소' field is pre-filled with '강원대학교 웹메일입력(@kangwon.ac.kr)' and is highlighted with a red box. The '비밀번호' and '비밀번호 다시 입력' fields have eye icons to toggle visibility. The '이름' and '성' fields are empty. At the bottom of the page, there is a 'i50TV' logo and a refresh button.

3 계정 인증

등록한 이메일에서 ‘verify email address’ 클릭하면 계정인증이 완료됩니다.
